We have read the qualifications for the scholarships listed on the Scholarship Selection Form. I verify that my son's/daughter's eligibility for each scholarship indicated with an X. Any scholarship money my son/daughter receives will be used to fund his/her college education. I also verify that my student completed these scholarships/essays on his/her own and that all information included is accurate. I, the student, request that my counselor release a copy of my transcripts so that the scholarship committee established by Columbia Entertainment Company can properly evaluate my application for the Dennis Riordan Memorial Scholarship.
